

# MiniStation™ Extreme

Robust and Secure portable HDD / USB 3.0 Storage

# BUFFALO™

## HD-PZFU3 series **1TB** **2TB**

### USB 3.0 Portable Hard Drive with MIL-SPEC shock protection and 256bit AES Hardware Encryption

#### MIL-SPEC Shock Protection

The MiniStation HD-PZFU3 model provides superior with a ruggedized case, shock-absorbing internal bumpers, and hardened chassis. This level of protection conforms to U.S. Military Standard "MIL-STD-810G 516.6 Procedure IV" used in selecting products supplied to the United States military. Robust protection shields data saved to the disk from impact if the drive is ever accidentally dropped.

#### Safe, Rainproof/Dust-Resistant Design

The drive is not only designed for daily use, it's also rated IPX3 for rainproof performance and IP5X for protection against dust, so you can rest assured it's protected even the weather unexpectedly turns bad.

#### Hardware Encryption

Data is automatically encrypted when saving to the MiniStation on encrypted mode. The MiniStation also requires password when accessing data, this means the double security layers prevent unauthorized access. In the unlikely event that your MiniStation is stolen or lost, this will prevent sensitive data from being leaked. This is an important feature especially for business users. No reduction in performance when using encryption due to BUFFALO's unique hardware designs.

\*Password setting and cancellation can be done with attached software.

## Features

- SuperSpeed USB 3.0 interface transfers data at up to 5 Gbps\*
- Fully backward compatible with USB 2.0 (480 Mbps transfer rate)
- U.S. military-grade shock protection helps protect the hard drive from damage
- TurboPC EX data transfer utility with tune-up saves
- Hardware Encryption (256-bit AES Full Disk Encryption) protects your data from unauthorized access, with no loss in performance
- Integrated USB cable snaps to chassis for pack-and-go portability

## Specifications

**Model** HD-PZFU3

### Color Variation & Drive Capacity

Black	HD-PZF1.0U3B	1TB	HD-PZF2.0U3B	2TB
Red	HD-PZF1.0U3R	1TB		
Silver	HD-PZF1.0U3S	1TB		

### Internal Hard Drives

Number of Drives	1
Drive Interface	SATA II

### USB Interface

Standard Compliance	USB 2.0 / USB 3.0
Number of Ports	1
Data Transfer Rate	Max. 5 Gbps

### Key Feature

Hardware Data Encryption	✓	Compact and Lightweight	✓
Shock-Proof Chassis	✓	Preformatted	✓

### OS Support

		Windows		Mac
		8.1 / 8 / 7 Vista (32/64-bit)	RT 8.1 RT	OS X 10.10, 10.9, 10.8
Connection	USB2.0	✓	✓	✓
	USB3.0	✓	✓	✓
Attached Software	TurboPC EX	✓	-	-
	Backup Utility	✓	-	-
	Disk Formatter 2	✓	-	-
	ModeChanger	✓	-	✓

### Others

Dimensions (LxWxD, mm)	90 x 141 x 21
Weight	300 g
Operating Environment	5-25°C, 20-80% (non-condensing)
Power Supply	DC 5V (USB powered)
Warranty	3-year

### Package Contents

MiniStation Extreme HD-PZFU3  
 USB 3.0 cable (50cm)  
 Quick Setup Guide  
 Warranty Statement
